

**God Has A
Fruitful Plan
for Your Life.
Will You
Choose It?**

*God has a plan and so does
the enemy...choose the one
that bears fruit.*

The Enemy's Plan for Your Life

Stan is out to rob, steal & kill your dreams.

The enemy's goal is to cause conflict in your relationships.

Satan works hard to make you believe you're worthless, untalented, and useless.

The enemy strives to create distance between you & God.

The enemy wants to weaken your faith.

Ruin or tarnish your testimony.

Create an unhappy & chaotic living environment.

The enemy wants to trick you into believing that your sin is inconsequential.

Ultimately Satan's plan is to destroy you.

God's Plan for Your Life

God plants dreams in your heart to give them life not death.

God wants you to cultivate harmonious, loving, healthy & respectful relationships.

God has given you unique gifts to serve & build up the body of Christ. You are his most important creation.

God desires to be in close & constant communion with you. The Lord never stops pursuing you.

God wants to refine, renew & strengthen your faith!

God wants us to share our testimony to build up others. He wants us to be an example through our faith, obedience and perseverance.

God desires for you to build up your home with wisdom & create a solid spiritual foundation for your family.

We have forgiveness for our sins through Jesus Christ. However, there are consequences for our actions. God disciplines & chastise his children because He love us.

Jesus' death on the cross defeated sin and death. God has given you eternal life through his Son and a priceless inheritance! He wants you to be a living sacrifice, holy and pleasing.
